

PROGRAM DESCRIPTION

- Classes begin in August and are held at the Bancroft Campus Friday evenings, Saturdays and/or Sundays on an average of three weekends per month, as well as weekday evenings and weekends through synchronous online delivery
- Instructors work full time in the field as Critical Care and Emergency Nurses, Primary, Advanced and Critical Care Paramedics, bringing their real-world experiences to the classroom
- A blend of practical, clinical and classroom instruction prepares students to respond to emergencies and provide life support measures in situations ranging from cardiac arrest to gunshot wounds to childbirth
- Students learn to administer care in a moving ambulance – and to drive one
- The program emphasizes personal safety, as well as communicating effectively with families and other emergency and medical professionals
- A variety of electives will enhance graduates' ability to manage real-life situations working in the community

PROGRAM LENGTH

Two-Year Ontario College Diploma (offered through part-time studies)

HIGHLIGHTS

- Loyalist is the only college in Southern Ontario that offers a two-year Paramedic diploma through part-time, weekend studies – in beautiful Bancroft
- Our up-to-the-minute curriculum is continuously enhanced by instructors who work full time in the field
- Experience the job firsthand during 448 hours of supervised ride-out in an ambulance
- Qualify to write the Advanced Emergency Medical Care Assistant (A-EMCA) exam offered by the Ministry of Health
- Loyalist offers a unique opportunity for certification with ITLS International, with exams for international accreditation in ITLS and ITLS International Trauma Life Support

CAREER OPPORTUNITIES

- Paramedics are often the first people on the scene in an emergency. They balance compassion and empathy with critical decision-making skills and the ability to take command in a crisis
- Graduates will find opportunities as Primary Care Paramedics in the ambulance system in Ontario, nationally or abroad; emergency medical responders with municipal fire departments; emergency response team members; private ambulance transfer service members; health and safety educators in industrial settings; and technical assistants in hospital emergency departments or health centres
- Emergency training obtained in the Paramedic program is also an asset when applying to a fire department or police service, particularly in a remote area

OUR GRADS GET GREAT JOBS
