

Go Global, Go Canadian!

Are you between the ages of 13 and 18? Interested in experiencing Canadian culture, or getting an edge on post-secondary studies in business, media, applied science or technology? Study abroad this June at Loyalist College in beautiful Belleville, Ontario, Canada for an experience of a lifetime!

Loyalist College
Belleville, Ontario

Loyalist college is situated in Belleville, Eastern Ontario and is located near Sandbanks Provincial Park — the world's largest freshwater sand bar and dune system. Nestled within the popular tourist destination of Prince Edward County, the College offers one of the best backdrops for natural beauty in a small-city and a friendly learning setting.

Loyalist College offers international students the ideal combination of academic excellence, extra-curricular activities and intercultural experiences. Learn first-hand about our Canadian culture through the unique Loyalist College International Summer Camp program. Our certified and experienced teachers help English as a Second Language (ESL) students improve their language skills in listening, speaking, reading and writing, all the while helping them to build confidence in using English in day-to-day life. Students will expand their horizons and skills while gaining critical North-American perspectives on issues of global importance.

Attend sporting events, visit tourist attractions, historic sites and cultural centres, and be immersed in an environment that encourages speaking English only. Visit the multicultural city of Toronto, as well as Ottawa — the nation's capital city!
