

Challenge yourself through learning without boundaries.

Are you thinking about postponing your university studies because of the double cohort year? Do you need to enhance your academic skills and increase your competitive edge? The University Preparation Certificate at Loyalist College is the option for you!

Why University Preparation?

- prepare for increased academic demands and expectations
- improve research and writing skills
- familiarize yourself with a post-secondary environment
- obtain possible transfer credits
- receive faculty assistance with the preparation of the university admissions package.

"Taking the University Preparation Certificate was a perfect stepping stone to university studies. My marks and comments from my professors at Waterloo prove that Loyalist did a great job in preparing me for my goal to get my B.A."

Shandra Valyear

Be prepared for the transition to university.

Choose the University Preparation Certificate at Loyalist College.

To ensure Loyalist students receive the best academic and career direction, the Arts and Science faculty strive to address individual student requirements.
