

Welcome Everyone.

LOYALIST COLLEGE proactively addresses the learning needs of all students of First Nations background.

Our vision includes a college that will have a more culturally sensitive and culturally diverse environment where First Nations students will feel comfortable, valued, satisfied and accomplished in academic and career pursuits.

WE CARE ABOUT YOUR SUCCESS.

Loyalist College established the Aboriginal Resource Centre to ensure appropriate support for Native students. The orientation of the Aboriginal Resource Centre is holistic in approach, and ensures First Nations students at Loyalist have access to all required resources.
