

Arts and Science at Loyalist

**... gives
you greater
flexibility
to succeed!**

*"The Arts and
Science program has
allowed me to grow
academically, socially,
environmentally,
and culturally and
has also given me
the tools to use in
any career path that
I choose to follow."*

Danielle Dawson,
2nd Year Arts and
Science Student

January and September Starts One-Year Certificate; Two- or Three-Year Diploma

The Arts and Science program at Loyalist is all about flexibility. You will begin each semester by meeting with program faculty on an individual basis to discuss the course selection that best meets your academic and employment goals. You may choose to complete a certificate in two semesters in Arts and Science, or transfer earned credits to another Loyalist program. The two- or three-year diploma option offers you two choices: Career Preparation or University Preparation... see what we mean about flexibility?

PUT YOUR FUTURE IN MOTION AT LOYALIST.
