

THE WORLD HIDES IT.

WE UNCOVER IT.

Biosciences

at Loyalist College

Nature contains the secret; science holds the solution. The key to some of the world's greatest challenges – hunger, disease, pollution – may soon be within our grasp. Check out our biosciences programs and then rise to the challenge.

- **Bio-Food Technician / Technology**
- **Biotechnology Technician / Technology**
- **Chemical Engineering Technician / Technology**
- **Chemical Laboratory Assistant**
- **Environmental Technician / Technology**

Plan to attend the

Sustainable Living Symposium 2007

Saturday, March 31

9:00 am to 5:00 pm

Loyalist is pleased to host the symposium and proud of the contributions our students and faculty have made in helping with its organization.
