

“Learning for Life”

THE LOYALIST COLLEGE FOUNDATION

ESTABLISHED 1995

Planned Giving involves tax and estate planning considerations, but the process does not need to be a complicated matter. A donation, from modest to substantial amounts, can be planned to enable you to achieve your personal financial objectives and charitable giving goals, while at the same time minimizing tax and maximizing other financial benefits.

You can make a difference. Your gift will contribute to the growing excellence of the College's programs and provide important financial assistance to deserving students.

*For more information about Planned Giving opportunities at Loyalist,
