

The world hides it. **We uncover it.**

Biosciences

at Loyalist College

Nature contains the secret; science holds the solution. The key to some of the world's greatest challenges – hunger, disease, pollution – may soon be within our grasp. Check out our biosciences programs and then rise to the challenge.

- **Bio-Food Technician / Technologist**
- **Biotechnology Technician / Technologist**
- **Chemical Engineering Technician / Technologist**
- **Chemical Laboratory Assistant**
- **Environmental Technician / Technologist**

Plan to attend the

2008 Sustainable Living Symposium

Saturday, March 29 9:00 am to 5:00 pm

Loyalist is pleased to host the symposium and proud of the contributions our students and faculty have made in helping with its organization.
