

Next Step.

At Loyalist there are a number of ways that you can build upon your diploma, certificate or degree – which will allow you to take the next step to enhanced career opportunities.

Post-graduate programs in **Public Relations** and **E-Journalism** and accelerated programs in **Social Service Worker, Early Childhood Education** and **Developmental Services Worker** – allow you to enter the work force with hands-on training in the latest, most advanced techniques and theory – in less than a year.

Credit earned through your diploma, certificate or degree can often be applied to Loyalist's programs, allowing you to graduate in less time with less expense – for example, graduates of a human studies program may be qualified to enter the third year of our four-year **Bachelor of Human Services Management** program.

Apply now for September 2007.
